

## Candle In The Wind **Capo II**

**D** **G**  
Goodbye Norma Jean though I never knew you at all  
**D** **G**  
You had the grace to hold yourself while those around you crawled  
**D** **G**  
They crawled out of the woodwork and they whispered into your brain  
**D** **G**  
They set you on the treadmill and they made you change your name  
**A** **A7** **D** **G**  
And it seems to me you lived your life like a candle in the wind  
**D** **A**  
Never knowing who to cling to when the rain set in  
**G** **Bm**  
And I would have liked to have known you but I was just a kid  
**A** **G** **D**  
Your candle burned out long before your legend ever did

Loneliness was tough the toughest role you ever played  
Hollywood created a superstar and pain was the price you paid  
Even when you died Oh the press still hounded you  
All the papers had to say was that Marilyn was found in the nude  
And it seems to me you lived your life like a candle in the wind  
Never knowing who to cling to when the rain set in  
And I would have liked to have known you but I was just a kid  
Your candle burned out long before your legend ever did

Goodbye Norma Jean though I never knew you at all  
You had the grace to hold yourself While those around you crawled  
Goodbye Norma Jean From the young man in the 22nd row  
Who sees you as something more than sexual more than just our Marilyn Monroe

And it seems to me you lived your life like a candle in the wind  
Never knowing who to cling to when the rain set in  
And I would have liked to have known you but I was just a kid  
Your candle burned out long before your legend ever did
