 There are places I'll remember all my life though some have changed

A E F#m A7/G D Dm A  
 Some forever not for better Some have gone and some remain

Br1 F#m D G A  
 All these places have their moments with lovers and friends I still can recall

F#m B Dm A  
 Some are dead and some are living In my life I've loved them all

Intro/spacer

V2 But of all these friends and lovers there is no one compares with you  
 And these memories lose their meaning when I think of love as something new

Br2 Though I know I'll never lose affection for people and things that went before  
 I know I'll often stop and think about them In my life I love you more
